  - 4) Thingbaijam Linthoingambi Chanu, Assistant Professor, LMS Law College, Dhanamanjuri University.
2. The 1<sup>st</sup> Semester students of the College were warmly welcomed by Dayananda Sh.
3. The College Anthem “Khurumjei Ema YK College” was performed by the 3<sup>rd</sup> and 5<sup>th</sup> semester students of Y.K. College as an opening song of the Programme.
4. Dr. S. Birahari Singh, HOD, Department of Education, Y. K. College briefly explained about the importance of Students Induction cum Orientation Programme and the National Education Policy 2020 and its prospects.
5. It was followed by introduction of the teaching faculties of various departments among the students.
6. N. Indusekhar Singh, Assistant Professor, Department of Mathematics, Nodal Officer, NSP, Y. K. College, gave information about the online registration process in the National Scholarship Portal (NSP) to the fresh students.
7. Ice Breaking Session: Presentation of solo song by 1<sup>st</sup> semester student, namely, Malemnganbi.

8. A Lecture on National Education Policy 2020 and Learning Outcome Based Curriculum Framework (LOCF) was given by Dr. Th. Ritendra Singh, Assistant Professor, Department of Chemistry, Y. K. College.
9. A brief explanation of MOODLE (Modular Object-Oriented Dynamic Learning Environment) – LMS (Learning Management System) was given by Ms. Hoipi Haokip, Assistant Professor, Department of History, MT, Education Technology Cell (ETC), Y. K. College.
10. Motivational Speech was given by Dr. S. Giri Singh, Principal, Y.K College.
11. O. Binoykumar Singh, HOD, Department of Physics, Y. K. College made announcement for starting the Youth Orientation Programme and introduced the Resource Persons to the participants.
12. The programme was started by Resource Person, Dr. S. Jogita Devi, Assistant Professor, Biramangol College. The topic of the first session was “Know Ourselves”. The activities included self-introduction by students, songs and dance to lighten their mood, making mixed group of 6 students each to encourage team work and personality development. This session facilitated students to know each other and to encourage them to make new friends and enjoy the start of new college life.
13. The next session was also taken up by the same Resource Person on the topic “Time Table”. In this session, the group were asked to make a time table in 24 hours format. Here, in the session, the students were made to know the importance of time in order to prevent wastage of time and energy and the things they have to do as a student.
14. Ice Breaking Session:
  - 1) Duet song presented by 1<sup>st</sup> semester students, namely, Manda and Dayananda.
  - 2) Solo song presented by Manda.
  - 3) Solo song presented by 1<sup>st</sup> semester student, namely, Aiyodutta.
  - 4) Solo song presented by Dr. Kh. Arundas, Assistant Professor, Department of Economics, Y. K. College.
  - 5) A solo musical performance (lead guitar) by Dr. L. Gopen, Assistant Professor, Department of Zoology, Y. K. College.
  - 6) Action songs and dance with the students and resource persons.
15. Recap.
16. With this, the programme ended for Day 1.

## **Event Report: Day 2**

### **Anchor: Dayananda Shaikhom**

1. The programme started with the anchor inviting the Principal of the College, Dr. S. Giri Singh, K. Thoiba, Associate Professor & HOD, Department of Mathematics, Y. K. College and E. Surchandra, Assistant Professor & HOD, Department of Geography, Y. K. College on the dais.
2. Dr. Kh. Arundas, Assistant Professor, Department of Economics, Y. K. College gave an inspirational feedback of Day 1.
3. The session was started by Resource person, Dr. S. Sangrila Devi, Assistant Professor, DMCTE on the topic – Adolescence. She gave a lecture on various dimensions concerning Adolescence period – Counselling of students, emotional control, demerits of drug addiction, obeying parents, motivation to study, importance of time, personality development. From the lecture, the students learned to meet the challenges of life and achieve their full potential and develop social, ethical, emotional, physical and cognitive competencies. The lecture highlighted the importance of youth development programme for bringing common values of tolerance, understanding and mutual respect.
4. Then the session was summed up by Dr. S. Jogita Devi who asked the students to freely express what they learned from the previous session. This helped the students to express their ideas and opinions without fear that will help them to build self-confidence, motivation, participation in community life and effect positive social change.
5. Ice-Breaking session: Action song by students and resource persons.
6. Next session was on the topic – “Overview of Cyber Crime and Cyber Security” by Dr. Kh. Henerita Devi, Assistant Professor, Thoubal College. In the session, the resource person talked about the importance of Digital knowledge as National Education Policy 2020 recommended Digital Learning so as to improve teaching learning process. The session highlighted the students to be aware of phishing attacks, malware, hacking. The resource person explained about creating a strong password, to update the password frequently, using Virtual Keyboards and Link Scanner.
7. Next session was by Dr. S. Jogita Devi on Life Lesson Game – Chinese Whisper Game. The game teaches the students to listen carefully and clearly to other people; what others say is not always correct. This game showed the teacher to understand the individual differences in the class

and should always be careful about the students that there should not be any communication gap.

8. The next session was conducted by Madam M. Landhoni, Assistant Professor, Department of History, Y. K. College on the topic – “Study Tips - Mind Mapping”. The session highlighted the students to think creatively, making new connections between ideas, problem solving and revising, thus, helping the students to ‘brainstorm’ a topic.
9. Then Dr. N. Shovarani Devi, Assistant Professor, Department of Environmental Science, Y. K. College gave an activity to the students to Create a story by group on a specific topic. From the session the students learned a lesson by using a technique of selecting a specific area from the lesson. This helped the students to think with greater clarity as well as generate new ideas and solutions to problem.
10. Ice-Breaking session: Thumbs-Up Clap.
11. The next session was from Madam Th. Linthoingambi Chanu, Assistant Professor, LMS Law College, and gave a brief lecture on - What is marriage?, awareness about legal age for boys and girls, Legal rights for married women, Inheritance of daughters, evils of child marriage, etc. The session brought legal awareness about marriage to boys and girls and legal rights for girls to the participants.
12. Life Lesson by Dr. Jogita – Survival Game. The students had to work in team and in this game they had to listen to each other. Giving opinions, brainstorming, and communicate their point of views were necessary. There was a leader in the group. The game helped the students to learn and retain leadership skills and promote team work.
13. Recapitulation by Dr. S. Sangrila Devi.
14. The programme was aimed at all round development of the students.
15. Ending session: Music and Dance – “Boogie Woogie” and Traditional group dance of Thabal chongba.
16. The Two Day Youth Orientation Programme ended with a vote of thanks from Ms. Hoipi Haokip, Assistant Professor, Department of History, Y.K. College.
