

## **A) Title of the Practice: Monetary Assistance for Boosting up Curricular and Extra Curricular activities of students and teachers**

### ***Objectives of the Practice:***

The majority of the students in this institute belongs to poor families of rural areas since the institute itself resides in rural region and on another aspect, it can be assumed that sports loving students of the college are many who couldn't afford the necessities regarding their career development. At another area it can be stated that career of the teacher is also to be improved by participating in conference, seminar, workshops and various faculty development programs etc. for updates in their knowledge enhancement. Thus, to help in the progression of their curricular and extracurricular activities, the institution had introduced this practice from the academic year 2016-17 till date.

### ***The Context:***

It can be opined that there might be students who cannot pursue higher education due to poor economic condition of the family since most of the parents are poor farmer. Such case might be more frequent in rural areas where income earning facilities are scanty.

Since curricular and co-curricular activities are inseparable, such scenario is very obvious in case of rural areas of Manipur, which is known as Power house of sports in India in addition to its rich cultural heritage known worldwide.

### ***The Practice:***

The schemes included in this practice are as below:

- 1. Free Ship for Students of BPL Family:** Exemption of either admission/ examination fee of students belonging to BPL family.
- 2. Financial Assistance to the Students of Poor Family:** Monetary assistance to the ailed student and his/her relative belonged to poor family.
- 3. Financial assistance to ailed teachers:** Monetary help to teacher ailed during duty dedication.
- 4. Financial Assistance to Students Talented in Extra Curricular Activities:** For sports, culture etc.
- 5. Financial Help to Teachers Participated in FDPs.** Mainly for participation in seminar, conference and workshop.

### ***Evidence of success:***

The success of the practice can be predicted with the availability of beneficiaries of different schemes adopted.

- a) Freeship for students of BPL family:** In the year 2021-22, 30(thirty) students from various subjects and semesters have been benefitted through this scheme amounting to an expense of Rs.86,400/-. With the help of this benefit, the beneficiary students held from financially poor backgrounds have been able to admit and attend classes, and also appear in end-semester examinations.

**b) Financial Assistance to Students of Poor Family**

A teacher personally sponsored the following students during 2021-2022.

- In 2021, Puyam Johnson singh, 4<sup>th</sup> semester was given a mobile phone to attend online class during pandemic.
- In 2022, Rs. 3000/- for admission to 5<sup>th</sup> semester to Puyam Johnson singh.
- In 2022, Rs. 200/- for recharging mobile prepaid to Nongthombam Rejiya Devi, 5<sup>th</sup> Semester to attend online class.

**c) Financial Assistance to Students Talented in Extra Curricular Activities**

- In April 2022, Rs 5000/- was given to S. Boycha Singh a student of this institute from nongovernment account of the institute for participation in Inter University Games and Sports representing Manipur University.
- In May, 2022, Rs 5000/- was given to L. Rabi Singh a student of this institute from nongovernment account of the institute representing Manipur University in All India Inter University Softball(M) Championship 2021-22 hosted by Acharya Nagarjuna University, Guntur, Andhra Pradesh.
- In May, 2022, Rs 5000/- was given to S. Rakesh Singh a student of this institute from nongovernment account of the institute representing Manipur University in All India Inter University Softball (M) Championship 2021-22 hosted by Acharya Nagarjuna University, Guntur, Andhra Pradesh.
- In May 2022, Rs 5000/- was given to Y. Samson Singh a student of this institute from nongovernment account of the institute representing Manipur University in All India Inter University Softball (M) Championship 2021-22 hosted by Acharya Nagarjuna University, Guntur, Andhra Pradesh.
- Besides a teacher personally sponsored Elangbam Mission Singh a student of 6<sup>th</sup> Semester of this institute an amount of Rs 3000/- for participation in “State Level Exhibition on Endangered Species of Manipur & Its Conservation” in commemoration of National Endangered Species Day on 20<sup>th</sup> May, 2022 for preparation of an aquarium showing endemic and endangered fish species of Manipur.

**d) Financial Assistance to Teachers participated in FDPs**

(In process not yet sanctioned).

***Problems encountered and resources required:***

Limited income of the institution is a barrier in rendering more financial help to students and teachers. The institution requires to set up strategies for generation of substantial income.

**B) Title of the Practice: All round development of faculty and awareness to student for their knowledge development.**

***Objectives of the practice:***

To implement various tasks of the college conducting seminars (national/international) as well as observance of various international days and events for knowledge development of both faculties and students of this college to enhance both curricular and extra-curricular activities for all round development of students' and participation in such practice has been adopting by the authority since 2016.

***The context:***

The potentiality of faculty members needs to be exposed in such platform besides their teaching practice which can be utilized in knowledge development of the students and for all round development of teachers by participation in seminars, delivering talks in international and national's days/ events for enhancement of overall activities of the college as well as for the society for sustainable environment through awareness to the students. A scenario of such services and institutional integration for the betterment of the society can be seen from such practices.

***The practice:***

The institution has conducted various seminars and observance of national and international days continuously by delivering talks from experts in the field as awareness to the students as well as faculties of the institute for better understanding of social, cultural and environment for the sustainable and developed society.

***Problems encountered and resources required:***

Inadequate income of the institution is a barrier in conducting such functions on state and national level program though faculties are trying hard to conduct such activities by contribution. The institution needs to set up a policy for successful accomplishment of such programs in future.
